

Cybersecurity and Other Key HR Policy and Training Essentials for 2017

By February, most have abandoned their new years' resolutions. Don't abandon yours. In this webinar, you will learn critical cybersecurity and other HR policy and training issues that prudent organizations should resolve to address in 2017.

About the Speakers:

Tom Vincent has spent years serving in internal and external compliance roles for various financial institutions, including Chief Compliance Officer and Anti-Money Laundering Compliance Officer, and currently leads the Cybersecurity and Data Privacy Practice Group at GableGotwals.

Chris Thrutchley has advised and defended employers for over 20 years and has served as an HR Director and Chief of the Attorney General's Office of Civil Rights Enforcement, and currently leads the Labor and Employment Practice Group at GableGotwals.

GableGotwals is hosting this complimentary webinar to Human Resources professionals and In-House Counsel. This Seminar is approved for Professional Development Credits through SHRM.
