

GETTING INTO THE WEEDS: MEDICAL MARIJUANA AND THE WORKPLACE

Oklahoma employers are now deciphering what legalization of Medical Marijuana means for the workplace and are questioning how best to ensure the health and safety of all employees in the workplace while complying with applicable federal law, federal regulations, and Oklahoma's Medical Marijuana Act.

Ellen Adams

Paula Williams

Join GableGotwals employment attorneys Ellen Adams and Paula Williams as we discuss the intersection of state and federal laws, Oklahoma Health Department's regulations, protections under the Act affecting the workplace, drug testing and maintaining a drug-free workplace, and what actions employers should take right now in anticipation of the law taking effect.

Wednesday, August 1, 2018
10am to 11am
