Work activities will include conducting legal research, drafting, and reviewing legal documents, discovery, preparing court filings, providing strategic advice to ensure the best outcomes for clients, and participation in depositions, hearings, trials, and alternative dispute resolution.

### Key Functions:

- Active participation in and management of all phases of litigation, including case preparation, discovery, motions, and assist with trials. Develop and execute case strategies to achieve favorable outcomes for clients.
- Represent clients in court, arbitration, and mediation proceedings.
- Conduct thorough legal research and analysis to support case and legal strategies, including preparing briefs, legal memoranda, and other litigation documents.
- Engage in settlement negotiations and alternative dispute resolution processes to resolve disputes efficiently and effectively.
- Maintain regular communication with clients, providing updates on case progress, legal options, and potential outcomes.

- Collaborate closely with colleagues and support staff to ensure cohesive and effective case management. Collaborate closely with clients and other stakeholders to facilitate smooth and efficient communications.
- Contribute to business development efforts by identifying opportunities to expand client relationships and enhance the firm's service offerings.
- Active role in the accurate and timely preparation of client invoices, ensure compliance with billing guidelines, and address any discrepancies or billing issues promptly to maintain client satisfaction.

**Education and Experience:**

- Juris Doctorate (J.D.) from an accredited law school
- Minimum of five (5) years of experience as a licensed attorney (private practice preferred)

**Qualifications:**

- Admission to the State Bar or the ability to obtain licensure
- Strong negotiation, drafting, research and analytical skills
- Excellent interpersonal and communication abilities, with a collaborative approach to client and team interactions
- Competence in developing effective case strategies and identifying key legal issues
- Ability to think creatively, use good judgment and decision-making, and operate with accuracy and integrity
- Work well under pressure with flexibility to changing work priorities, workflow, and work assignments
- Demonstrated ability to manage multiple cases and prioritize tasks effectively
- Established technology-driven work ethic
- Ability to build and maintain strong relationships with clients, understanding their business objectives and providing tailored legal advice
- Experience in managing legal support staff and paralegals preferred

**Benefits:**

Enjoy a competitive salary and discretionary compensation along with a comprehensive benefits package:

- Eligible for health and dental insurance on day one
- Free Teladoc appointments with the 'Healthiest You' app
- Firm-funded disability insurance plan and group term life coverage
- Supplemental life, vision, AFLAC, and pet insurance
